

PHOENIX COLLECTION

Inspired by the mythological Phoenix that rises from the ashes, the Phoenix Console Table embodies resilience and rebirth through its striking design. The hand-shaped and intricately carved bases are crafted from charred cedar, showcasing a unique texture that adds depth and character to any space.

The tabletop is available in an array of luxurious materials including stone, glass, leather, or solid wood, allowing for customization that fits your personal style and interior decor. Each material option is carefully selected to complement the rugged elegance of the charred cedar bases, creating a harmonious blend of natural beauty and sophisticated craftsmanship.

Whether positioned in an entryway, living room, or office, the Phoenix Console Table serves as a bold statement piece that exudes both strength and grace. Its versatile design and premium materials ensure that it will be a standout addition to any setting, embodying the spirit of the Phoenix in every detail.
